## **Fashion Designer Course in Zurich — Practical Training**

The professional profile of a Fashion Designer – a job full of emotion. Picture the exciting moment when the models are about to walk through to present the first collection that you created as a Fashion Designer. It will take some time before that moment arrives. However, with our Fashion Designer Course, we want to allow you a quick entry into the fashion business. Thus, the study of fashion or, more specifically, the training of Fashion Designer, is much more than just theory. To our Fashion Designer training, we add an enormous amount of practical classes, to allow you to give free rein to your imagination.

## **At Swiss Fashion Academy in Zurich, we familiarize you with the technical know-how to create collections of both clothing and accessories for the fashion industry.**

During your Fashion Design training in Zurich, you will be the one who sets the next trends, as well as skillfully develop your aesthetic sense and at the same time learn how to deal with production-related economic factors, from costs to sales and quality control – making you a successful Fashion Designer.

## **In our vocational training in Fashion Design, you can study fashion and build upon your talent at our Academy of Fashion**

Are you one of those people who, when faced with the vision of a sewing machine, like to start the creative process right away and who have always created their own clothes and accessories? But do you still lack the necessary knowledge to perform Cutting, Sewing and Modeling? After finishing your training at our Fashion School, you will be able to work completely independently. You will be able to draft patterns, have the desired pieces manufactured and ready for your customers and you will also be able to perform tasks in the area of quality control.

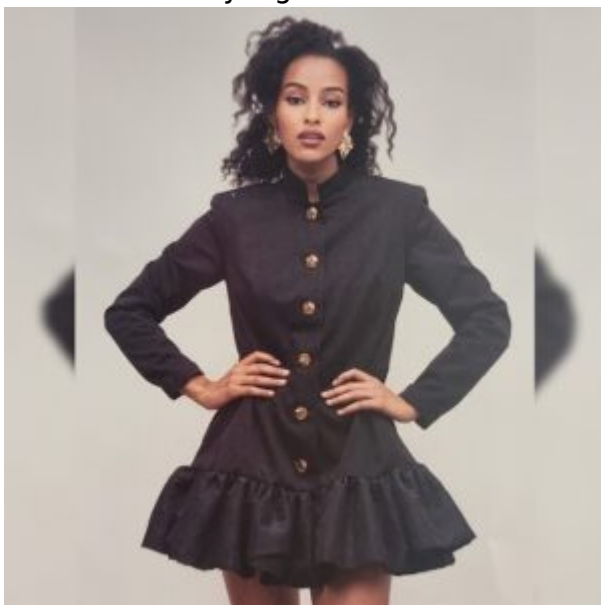

**After finishing your training at our Academy of Fashion, you will be able to work completely independently.**

The certificate of the Cutting, Sewing and Modeling course will improve your skills of calculation, creation, cost accounting, and production. If you want to specialize in Tailoring and Sewing for Men, you will also find the right offer at the Swiss Fashion Academy with the Men's Fashion Designer Course.

## **Zurich Fashion School – Score with your personal style – because the way we dress shows a little of our personality**

The study of fashion has a lot to do with communication and psychological skills. Both on a personal and professional level, charisma plays an important role. What style matches a certain personality? At our Zurich Fashion School, we familiarize you with each body type in the Personal Styling Course.

**Regardless of the Swiss Fashion Academy training offer you choose, high-quality training will always be guaranteed.**

You will learn how to harmoniously combine colors, fabrics, and patterns, gaining the necessary knowledge to choose clothes, which will allow you to create the right looks for each client.

*If you are looking for a future in fashion, the Swiss Fashion Academy is the right school for you! Our entire team will be happy to welcome you to our facilities and to be part of your future.*
